

American University of Sharjah, UAE

AUS does host up to 10 study tours abroad each year. There is a strong possibility that we would want to host a study tour to India at some point. This is typically left up to the individual faculty member to decide the destination and program. It would be good to have contacts in India to assist in developing further study tours in that part of the world.

Bowling Green State University, USA

We are interested in potential study trip for our Executive MBA program.

Carleton University, Canada

Have access already.

Champlain College, USA

Not Sure.

Clarkson University, USA

There is considerable interest in organized study tours of short duration (2 weeks) in India by citizens in the local community. As the university becomes more involved in international education, many requests have come from the community at-large regarding establishing a short tour for local teachers, retirees, senior citizens, and various community groups.

Concordia University, Canada

Internships in India: Environmental Assessment Impact (2 month or 4 month), General Engineering and Business internships (12 weeks).

Edith Cowan University, Australia

Information Technology, Community Nursing and Health, Tourism and Hospitality.

Emporia State University, USA

Exploring possibilities but unsure about details.

Fayetteville State University, USA

Fayetteville State University is interested in customized study abroad tours of India that enhance understanding of India's cultures and facilitate relationships important to sustainable collaborations between scholars and institutions.

Florida Agriculture and Mechanical University, USA

Program that exposes students to the educational system in India. It would include visits to schools, seminars with teachers, visit to government education agencies, and discussions with education policy-makers.

Florida Atlantic University, USA

We do not have plans for this at this time.

Fresno Pacific University, USA

2 - 3 week study tour of India including examining life in rural and urban India, impact of Globalization, Culture, History, and Economics.

International University of Business, Agriculture & Technology, Bangladesh

Yes, our graduates always wanted to go different countries and do practicum or just visit different organization for gathering information.

John Carroll University, USA

We are very interested in 2-3 week programs in Business + Culture in all parts of India (esp. Mumbai, Bangalore, Hyderabad) 10-20 students + faculty

Kansas City Art Institute, USA

We are interested in learning more about these programs and what they would have to offer to students in the fields of Animation, Art History, Ceramics, creative Writing, Digital Filmmaking, Digital Media, Fiber, Graphic Design, Illustration, Painting, Photography, Printmaking, Sculpture, though we are not quite ready to begin working on these programs.

Longwood University, USA

Would like to discuss potential tours.

Mount Royal University, Canada

Very interested. Need to discuss and explore options.

North-West University, Vaal Triangle Campus, South Africa

Yes.

Oregon State University, USA

Possibly – 2 week study tour focused on natural resources, aimed initially at faculty and graduate students.

Phetchaburi Rajabhat University, Thailand

Yes I am.

Pontifica Univeridad Javeniana Cali, Colombia

Yes, in areas of “doing business with India”, culture in India, software development industry.

Roosevelt University, USA

Faculty-led international study programs in which a 10-to-15-day study tour in India is an integral part of a Roosevelt course

Saint-Petersburg State University of Telecommunications, Russia

In principle, yes. Details - subject of discussion.

Samford University, USA

Yes – History.

Saxion University of Applied Sciences, Netherlands

Not feasible at the moment .

Southern University and A&M College, USA

There is considerable interest in organized study tours of short duration (2 weeks) in India by citizens in the local community. As the university becomes more involved in international education, many requests have come from the community at-large regarding establishing a short tour for local teachers, retirees, senior citizens, and various community groups.

Texas Christian University, USA

Film, Digital Media, Interior Design, Environmental Studies and Business.

University of Central Arkansas, USA

Interested in receiving information on study tours of 10 days to one month in length. Scope is 15 - 30 students traveling with one or two faculty members. Interested in areas of Business and Liberal / Fine Arts.

University of Wisconsin-La Crosse, USA

We would be interested in taking a look at various study tour options that might be available in India.

WVU Institute of Technology, USA

WVU Tech believes that a Study Tour of India would be of interest to some of its students in the degree programs of Accounting, Business Management, Chemical Engineering, Civil Engineering, Computer Engineering, Electrical Engineering, Mechanical Engineering, Electronic Engineering Technology, Engineering Technology (Civil, Environmental, and Mechanical Emphases). We also believe such a study tour might also appeal to students at other areas colleges, as well as perhaps business people in the region, although the best itinerary and educational experiences remain to be determined.
